Women’s check-up 02

上海交通大学医学院附属仁济医院东院区

US$787 USD · per person · examinations and included services

Four services included in this price

- **All listed check-up tests:** The examinations and consumables expressly listed for your selected package, with its eligibility conditions.
- **Personalized VIP coordination:** Individual appointment planning, visit coordination and support through report delivery.
- **Dedicated English-speaking accompaniment throughout your check-up:** A dedicated English-speaking companion supports you throughout your hospital check-up visit.
- **Hospital-issued Chinese report + full English translation:** Usually expected within 5-10 working days after all agreed check-up examinations are completed. Hospital review, test type or additional examinations may take longer. We confirm timing before booking and keep you informed of delays.

These four services are included in the price of your selected, confirmed package. Extra tests, treatment, medicines, transport and accommodation are not included unless expressly listed in your written plan; separately priced additions require your approval.

Visit: usually 2–3.5 hours. The hospital-issued Chinese report and complete English translation are usually expected within 5-10 working days after all examinations listed in your confirmed check-up package are completed. Confirm your appointment, preparation instructions, individual suitability and total in writing.
